

# **Canisius vs Iona**

## **[Video](#)**

### **Violent Behavior**

In this play, the White goalkeeper is attempting to clear the ball just outside of his penalty area. A White defender in front of him moves into the path of the oncoming Red attacker and pushes him with excessive force while not challenging for the ball.

The expected decision is a red card to the White defender for Violent Behavior 1 and the appropriate restart is a free kick at the spot of the contact.
